

# LeapFrog® Learn & Groove Musical Table

## LeapFrog Learn & Groove Musical Table

### Product Description

It's a learning fiesta for your little one. This interactive, bilingual activity table engages and entertains your baby for hours. There are songs, melodies, twinkling lights and real instrument sounds, plus lots of things to spin, roll, slide, open and close. The table plays over 40 songs and melodies so your baby stays entertained while exploring. When babies turn the center page, the activity table switches modes and transforms musical discoveries into learning activities where each instrument plays a learning song. The Learn and Groove Musical Table also helps your child develop the motor skills needed for learning to stand. Contoured grips make "pulling up" a piece of cake. As babies learn to stand, their little hands can stay busy with reaching, grabbing and pulling. Measures 23" x 5.5" x 15.5". Requires 3 "AA" batteries (not included).

### Product Description

.caption { font-family: Verdana, Helvetica neue, Arial, serif; font-size: 10px; font-weight: bold; font-style: italic; } ul.indent { list-style: inside disc; text-indent: -15px; } Provide a world of learning and musical fun for your child with the LeapFrog Learn & Groove Musical Table.
