### Children in the Classroom Ages 4-14

Written with warmth and humor, *Yardsticks* offers clear descriptions of children's development. This comprehensive, user-friendly reference has been a favorite of parents and teachers for more than 10 years. For each age, this book includes: narrative description of developmental traits; charts summarizing physical, social, language, and cognitive growth patterns; suggestions for curricular areas: reading, writing, mathematics, and thematic units; favorite books for different ages. What's new in the 3rd edition: a brief overview of issues in the development of bilingualism and biliteracy among Latino/Hispanic children; an appendix on the birthday cluster exercise for applying the information in the book to working with a whole class of students; an updated list of recommended children's books; an updated list of recommended resources for teachers and parents.
